Students Satisfaction Survey at college level

Analysis and Action Taken Report

A.Y. 2021-22

In teaching learning process students are central components. Whole process revolves round the students admitted in the institution. For the evaluation of various factors like teaching learning process, infrastructure and others, a student satisfaction survey has been taken on college level. The survey consists of a questionnaire having ten questions. In students satisfaction survey opinions of 10% students were taken who are admitted at graduation level 60 students out of 446 opined about various factors. By taking online survey, analysis has been done. The following is an extract of the analysis.
