There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Bhagwan Baba Arts and Commerce College and the Alumni association jointly believe in creating and maintaining association with its alumni. The Alumni Association provides an interface for establishing a link between the alumni, staff, and students of the institute. College alumni are currently working at various positions all over the globe and proving their mettle in all spheres of management.

They are invited as resource persons at various events, guest lectures and panel discussions. They provide inputs and share their experiences regarding skills, recent trends, application of knowledge and working culture.

We at Bhagwan Baba Arts and Commerce College have a tradition of inviting alumni for Annual Alumni Meet in the College Gathering. In this meet the alumni get chance to reconnect with the Alma mater and old friends. This is the best platform for networking and sharing new trends and current happenings in the corporate world. These inputs are helpful to academicians for molding the aspiring students.
